

JAKRAPAT WONGPRADU

(+66) 83-014-5341 | jakrapat.wong@gmail.com | <https://jakrapatwpd.vercel.app> | [Sathorn, Bangkok](#)

ACADEMIC

Thammasat University - Sirindhorn International Institute of Technology (SIIT)

Aug 2022 - Present

- Bachelor of Engineering in Digital Engineering (International Program)

EXPERIENCE

Cybersecurity Analyst Internship at Cybertron

June 2025 - Aug 2025

- Hands-on experience with enterprise security tools: Splunk, Trellox, Arbour, Palo Alto, WAF, and CWAF.
- Monitored and responded to security incidents, performing log analysis and escalation.
- Analyzed threats and prepared reports with actionable insights for customers.
- Communicated directly with clients during security engagements and incident handling.
- Worked 12-hour day shifts as part of the SOC team, gaining real operational experience.

Translator & Sales Associate Part-Time

May 2020, 2025, 2026

- Assisted Turkish food manufacturers in communicating with international clients and distributors from multiple countries.
- Provided product details to potential distributors, including, certifications, export markets, and distributor availability.
- Managed interactions with more than 40 business clients during a 6-day THAIFEX international trade exhibition.
- Facilitated communication between company representatives and potential distributor to support business discussions.
- Documented client requirements, business interests, and potential partnership opportunities for post-event follow-up.

KEY PROJECTS

Windows 7 Exploitation & Post-Exploitation Lab (jakrapatwpd.vercel.app/project)

- Conducted network scanning and enumeration using Nmap to identify vulnerable hosts and services
- Exploited CVE-2017-0144 vulnerability via Metasploit Framework with DoublePulsar backdoor
- Established remote access using Meterpreter reverse TCP payload and performed post-exploitation
- Carried out system enumeration and basic privilege escalation techniques
- Documented attack workflow and identified mitigation strategies

AI Portfolio Assistant – Mali AI (<https://jakrapatwpd.vercel.app/project>)

- Developed an AI-powered portfolio assistant using Groq Llama 3.1 and a Node.js serverless API hosted on Vercel.
- Engineered a custom prompt and knowledge base to answer recruiter questions about education, technical skills, projects, and professional experience using portfolio-specific information.
- Created a responsive frontend interface with HTML/CSS and integrated it with the database.

Local AI Agent – Enzo Wongpradu (jakrapatwpd.vercel.app/project)

- Built with TypeScript, Node.js, Express, Ollama, and Qwen3 8B Model.
- Added secure tool calling for files, commands, and software installation.
- Developed a multi-user web app with authentication and saved conversations.
- Integrated Serper API search with role-based access and approval controls.

Super Market Databse System (<https://jakrapatwpd.vercel.app/project>)

- Developed a supermarket management system for inventory tracking and employee assignments.
- Built a MySQL database and implemented CRUD operations using PHP for backend logic.
- Built a responsive chat interface with frontend and backend integration through RESTful API calls.
- Implemented secure API key management using Vercel Environment Variables and optimized prompt design for natural, recruiter-friendly responses.

SKILLS

- **Languages:** Python, JavaScript, TypeScript, PHP, SQL, HTML, CSS
- **Development:** Node.js, Express, React, React Native, FastAPI, REST APIs, Git, GitHub, MySQL, Vercel
- **AI/ML:** Ollama, Qwen, Gemini, Groq, Scikit-learn, PyCaret, XGBoost, YOLO, MobileNet
- **Cybersecurity:** Splunk, Microsoft Sentinel, Trellox EDR/XDR, Wireshark, Nmap, Kali Linux, Metasploit, SIEM monitoring, incident triage, digital forensics
- **Networking & IT:** TCP/IP, DNS, DHCP, routing fundamentals, Windows, Linux, virtual machines, troubleshooting
- **Cloud & Tools:** AWS Amplify, Docker basics, npm, PowerShell, MAMP, Postman
- **Professional:** Technical documentation, client communication, teamwork, problem-solving, Thai and English communication
